ABANTE EUROPEAN QUALITY EQUITY FUND, a sub-fund of ABANTE GLOBAL FUNDS

CLASS C EUR (Accumulation) LU1121307646

Management Company: Abante Asesores Gestion SGIIC, S.A.

Objectives and investment policy

The objective is to provide long-term capital growth primarily through investment in equity securities of European companies whose financial characteristics show a high quality bias.

The selection of the investments will be made through the application of analytical techniques that apply a quality screen including factors such as low leverage and stable profitability. Then the sub-fund will invest in stocks by estimating their fair value based on mid to long term earnings outlook and qualitative factors.

At least 70% of the assets shall be invested in equity securities of European companies.

Up to 30% of the assets may be invested in aggregate in cash and cash equivalents, money market instruments, equities of issuers not meeting the above requirement or debt securities of issuers worldwide.

The sub-fund may invest in futures and options; the sub-fund may take positions to hedge and/or expose the portfolio to industrial sectors,

geographical zones, equities or indices; the sub-fund may also use equity swaps.

The sub-fund may invest in futures, forwards and options in order to generate exposure to currencies other than its reference currency or to hedge against currency risk. The sub-fund's exposure on derivatives products will not exceed 100%.

The sub-fund may not invest more than 10% of its assets in other UCITS and other UCIs.

Recommendation: this sub-fund may not be appropriate for investors who plan to withdraw their money within 3-5 years.

Shareholders may redeem shares on demand, on each Business day.

Non-distribution shares: any income generated by the sub-fund is reinvested.

Please note that transaction costs may have material impact on performance.

Risk and reward profile

Historical data used may not be a reliable indication of the future risk profile of the sub-fund.

This category is not guaranteed to remain unchanged and may shift over time.

The lowest category does not mean a risk-free investment.

This indicator is based on the historical volatility of the reference portfolio over the past 5 years and places the sub-fund in this category.

This fund was categorised in risk class 6 because, in accordance with the investment policy, the value of the investments may fluctuate sharply. Consequently, both the expected return and the potential risk of loss may be high.

The risk category has been determined using the maximum risk limit allowed for this sub-fund.

The sub-fund is subject to the following risks:

Currency risk: the risk that an investment's value will be affected by changes in exchange rates.

Use of derivatives: derivatives are used for investment purposes and contribute to obtain, increase or reduce exposure to underlying assets.

Equity risk: the value of equities and equity-related securities can be affected by daily stock market movements.

Charges

The charges you pay are used to pay the costs of running the sub-fund, including the costs of marketing and distributing it. These charges reduce the potential growth of your investment.
